## Welcome...

Hi, I am Ellie. I am a Level 4 Early years practitioner and have been working at Acorn for 9 years. I have worked in every room, covering all ages and am now excited to take over on the role of Out Of School Club Leader.

I will be introducing a suggestion box for parents/carers to submit any ideas and suggestions for what you would like to see at the Breakfast and After School clubs.

Please feel free to come and introduce yourself. I look forward to getting to know everyone!

### Cosy Area

We have now added a lovely cosy area to our Breakfast and Afterschool club. We have created a calming area with beanbags and a book case, a lovely rug and for those who want to block out some noise ear defenders. We are hoping that anyone who needs a break from playing can sit down, relax and read a book!

### Homework Table

A new addition to our Afterschool club is our homework table. After the children have eaten their tea, they have the choice to sit down at our homework table and get cracking! We will make sure that they have access to any recourses needed like stationary, calculators, reading materials and staff help.

### Radio

At breakfast club we have introduced a radio to get the morning started. A little weather and news update followed by music to wake everyone up and create a relaxed environment!

## Polite Notice

Can we kindly ask that children do not bring in football and Pokémon cards at After School Club and Holiday club? Thankyou.
